*Greetings Brett!*

Following the tremendous success of "SCRAIL® The Faster Fastener™" Fasco America has introduced many new innovative products to the market that save time and money. Today we spotlight the SCRAILer family of tools which are designed with all the power, capacity, and durability needed not only for SCRAIL® applications but also for nearly all of the nails available today. Of course SCRAIL® fasteners work with most other manufactures' tools too but when you are in the market for a new tool...Fasco SCRAILers are a proven way to compliment your smart decision to use SCRAIL® fasteners in the first place.
